Local Control Accountability Plan and Annual Update (LCAP) Template

Addendum: General instructions & regulatory requirements.

Appendix A: Priorities 5 and 6 Rate Calculations

Appendix B: Guiding Questions: Use as prompts (not limits)

LCFF Evaluation Rubrics: Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Contact Name and Title	Email and Phone
Ánimo Westside Charter Middle School	Annette Gonzalez, Chief Academic Officer	angonzalez@greendot.org; 323-565-1692

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Ánimo Westside Charter Middle School is a public charter middle school opened by Green Dot Public Schools in 2011. Since opening, the school has existed to meet the specific needs of the students and community it serves. Ánimo Westside operates with no attendance boundaries conditional for enrollment. As such, current enrollment is reflective, but not limited to, that of families from the following communities: Venice, Marina del Rey, Playa Vista, Inglewood, Westchester, Hawthorne and South Central Los Angeles.

Ánimo Westside serves 417 students in grades 6 through 8. The demographic breakdown is as follows: Socioeconomically Disadvantaged=81%; English Learners=9%; Special Education=16%. Primary ethnic populations are as follows: Latino=55%; African American=37%; FRL=81%.

Ánimo Westside is celebrated as a diverse school that reflects a vast array of cultures, socio-economic statuses, and ethnic backgrounds. As diversity expands and continues, the school fully embraces opportunities for cultural enrichment through collaborative experiences with all families.

Family and community partnerships are key to both the academic and social development of the student community. Ánimo Westside continues to connect with a number of businesses and support entities to offer scholars and families a robust educational experience.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The SBAC ELA proficiency of students 8th grade students has increased from 27% to 39%. The SBAC Math proficiency of students 8th grade students has increased from 10% to 15%. Intervention in both Math and ELA

are offered to students who show a need for support. Likewise, Drama and Technology electives are offered for students who are at, or above, grade level in math and ELA, respectively. School culture remains strong, with daily attendance rates averaging over 95%, a student retention rate of 97% and a school recommendation rate of 94%, as indicated on the family survey. The school also boasts a very active stakeholder community, offering multiple parent workshops that are well attended, quarterly neighborhood community meetings that are well attended by business owners and representatives, and multiple hosted events to collect stakeholder voice and feedback. The afore mentioned have positively impacted suspension rates that continue to decrease.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

One area representative of the school's greatest progress is revealed in its EL population, as the reclassification rate of 32% is nearly twice that of the chartering district. Moving forward, the school's goal is to maintain the positive progress for EL students by providing additional professional development and resources to the EL Lead Teacher to assist with specific instructional planning and academic monitoring. This is an added feature to our instructional program that was established last year. There is also specific attention paid to strategic scheduling and partnering for our EL students to continue the positive momentum of achievement. Significant strides have been made toward the improvement of suspension rates at Ánimo Westside, specifically with the following subgroups: EL, Students with Disabilities, and African American. English Learner progress has also remained steady.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

While significant progress has been made, it is clear that the school's English Learners and students with disabilities continue to struggle in mathematics and ELA. According to our data, this area of struggle is amplified to include nearly all students. To address this concern specifically in Math, we have piloted a new math curriculum (Eureka Math), strategically created planning partnerships between math intervention and core math teachers, and created Academic Success section for our students with disabilities that is specifically focused on math. Additionally, in an effort to offer increased support to students with disabilities, the number of personnel in the school's Special Education department was increased to include a fourth teacher.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Initially, the achievement of among students with disabilities represented the most significant achievement gap. In an effort to offer increased support to our students with disabilities, the number of personnel in the school's Special Education department was increased to include a fourth teacher. Also, the school offered an additional Academic Success course focused on math. Performance data, however, revealed an overarching struggle in mathematics for all students. As such, we have piloted a new math curriculum (Eureka Math), strategically created planning partnerships between math intervention and core math teachers, and created Academic Success section for our students with disabilities that is specifically focused on math. This includes creating opportunities for students to practice more frequently SBAC style questions in an online environment and a parent support component to assist parents toward better understanding the math for themselves which in turn improves the effectiveness of the support they can offer to their children.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved services

Given the student population served at the school, the program is designed to cater to the needs of low-income students and other significant student groups. To specifically address the needs of English Learners, an EL Lead Teacher position has been established to assist our school counselor in strategic scheduling and partnering. To specifically address the needs of students with disabilities, the number of personnel in the school's Special Education department was increased to include a fourth teacher.

Additionally, all Green Dot schools recently enrolled in LACOE's educational passport system database to help us better identify foster youth, streamline the enrollment process and provide appropriate supports to students. Once a foster youth student is enrolled, we provide academic and social emotional supports to meet their individual needs. All policies are in compliance with local, state and federal requirements.

Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures For LCAP Year	$5,771,060
Total Funds Budgeted for Planned Actions/Services to Meet The Goals in the LCAP for LCAP Year	$4,794,675

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

While the LCAP includes a majority of the school's expenses, it does not include the following expenses: insurance; authorizing entity's oversight fee; penalties and late fees; depreciation; transfers from other locations; bond interest and fees; debt interest; contracted service fees; staff benefits, overtime, bonuses and

stipend expenses, and cash reserves. Additional revenue is generated from federal grants, competitive grants and private philanthropy.

DESCRIPTION	AMOUNT
Total Projected LCFF Revenues for LCAP Year	$3,914,575

Annual Update

LCAP Year Reviewed: 2017-18

Goal 1

Provide Basic Services:

A.   Maintain the appropriate assignment of teachers, fully credentialed in the subject areas and for the pupils they are teaching

B.   Students will have access to standards-aligned materials and additional instructional materials as outlined in the school's charter petition

C.   Students will have access to the educational program as outlined in the school's charter petition

D.   Students will be offered elective courses if they do not require additional ELA or Math interventions

E.   School facilities are maintained in good repair

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 7, 8

Local Priorities:

Annual Measureable Outcomes

Expected	Actual
A. 100% of teachers will be fully credentialed in the subject areas and for the pupils they are teaching.	95% of teachers were fully credentialed in the subject areas and for the pupils they taught.
B. 100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks.	100% of ELA and Math teachers had access to standards-aligned materials though online curricular resources on the internal platform.
C. 100% of middle school courses will be reviewed and approved in the Green Dot Course Catalog. Master schedules will reflect that	100% of courses offered have been approved through the Green Dot Course Catalog.

Expected	Actual
students are enrolled in and have access to a broad range of courses that are appropriate for student needs.	
D. The school will offer at least one elective course offering.	The school offered 5 elective classes.
E. The school received an average score of 90% or higher on the facilities survey, indicating that the school is in good or exemplar repair.	The school received an average of 100% on the facilities survey.

Actions / Services

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Human Resources: • Green Dot's Human Resources and Human Capital teams review teacher, counselor and administrator credentials, background checks and TB clearances at hire and at least once throughout the year to ensure all credentials are properly maintained • Green Dot Human Resources works with employees on appropriate renewals for credentials and other requirements • Green Dot recently implemented an improved system to automate employee lifecycle process (HRIS)	Human Resources • Green Dot Human Resources and Human Capital reviewed teacher, counselor and administrator credentials, background checks and TB clearances at hire and at least once throughout the year to ensure all credentials are properly maintained • Green Dot Human Resources and Human Capital work with employees on appropriate renewals for credentials and other requirements	$10,994	$22,442

Action 2

Academic - Curriculum Design: • Curriculum Directors and Curriculum Specialists developed the ELA and Math "Course at a Glance" materials and curriculum maps that are aligned to CA Common Core State Standards and are available to all teachers via Green Dot's online platform. Additional curricular resources available online include model unit plans, lesson plans and summative assessments • Green Dot Education Team and school staff (e.g., administrators, teachers) will be engaged in curriculum development via surveys, professional development and working groups • Serving on the Green Dot Curriculum Review Team is a leadership position across the district which provides teachers the opportunity to participate in feedback on curriculum and assessments • Textbooks and classroom materials are tracked using online system to ensure access for all students	Academic – Curriculum Design • Curriculum Directors and Curriculum Specialists developed the ELA and Math "Course at a Glance" materials and curriculum maps that are aligned to CA Common Core State Standards and are available to all teachers via Green Dot's online platform. Additional curricular resources available online include model unit plans, lesson plans and summative assessments • Green Dot Education Team and school staff (e.g., administrators, teachers) are engaged in curriculum development via surveys, professional development and working groups • Textbooks and classroom materials are tracked using online system to ensure access for all students • Interim assessments align to Common Core standards and are available for all core teachers	$237,051	$306,166

Action 3

Academic – Interim Assessments:	Academic – Interim Assessments	$43,852	$159,143

• Interim assessments have been developed to align to Core Curriculum and provide teachers with the ability to analyze student performance data throughout the year • Interim assessments align to Common Core standards and are available for all core teachers • Surveys are available for teachers to provide immediate feedback on interim assessments throughout the year • Interim assessment data will be analyzed by teachers and administrators during department meetings to identify trends and assess next steps to support instruction	• Interim assessments have been developed to align to Core Curriculum and provide teachers with the ability to analyze student performance data throughout the year • Green Dot interim assessments are aligned to both Common Core content standards and Literacy standards to expose students to structure and format of the CA MAPP • Curriculum Directors and Curriculum Specialists developed the ELA and Math "Course at a Glance" materials and curriculum maps that are aligned to CA Common Core State Standards and are available to all teachers via Green Dot's online platform. Additional curricular resources available online include model unit plans, lesson plans and summative assessments • Surveys are available for teachers to provide immediate feedback on interim assessments throughout the year • Interim assessment data will be analyzed by teachers and administrators during department meetings to identify trends and assess next steps to support instruction with interventions using the Green Dot Multi-Tiered System of Supports framework		

Action 4

Academic – Master Scheduling & Staffing: • Administrators utilize data to assess student course progress and place students in appropriate classes for the upcoming year • Master schedule reflects an emphasis on Common Core curriculum and provides appropriate interventions for ELA and Math • Advisory provides a venue for students to receive one-on-one academic consulting and additional support for core classes • The school will be appropriately staffed to implement the school master schedule, including elective courses (e.g., PE teacher, VAPA teacher)	Master Scheduling & Staffing • Administrators utilized data to assess student course progress and placed students in appropriate classes for the upcoming year • The master schedule reflected an emphasis on Common Core curriculum and provides appropriate interventions for ELA and Math • Advisory provided a venue for students to receive one-on-one academic consulting and additional support for core classes • The school was appropriately staffed to implement the school master schedule, including elective courses (e.g., PE teacher, VAPA teacher)	$823,216	$879,728

Action 5

Operations: • Annual facility inspections will be conducted by Green Dot Operations staff • Regular facility inspections and audits will be conducted by school staff and Facilities team • School maintenance and repairs will be provided by Green Dot Operations staff and external vendors	Operations • Annual facility inspections by Green Dot Operations staff • Regular facility inspections and audits by school staff and Facilities team • School maintenance and repairs provided by Green Dot Operations staff and external providers • Expenses such as rent, building maintenance and supplies were	$1,445,561	$977,485

• Furthermore, actions/services includes expenses such as rent, building maintenance and supplies as the charter school must lease or purchase facilities	covered as the charter school must lease or purchase facilities		

Analysis

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall, the actions/services were implemented as described in the previous year's LCAP.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Overall, the school was effective in implementing the services to meet its LCAP goals.

School will collaborate with Human Resources and Human Capital departments to ensure all current hires have met requirements and any new hires are highly qualified/credentialed before the next school year. Receive school master schedules before beginning of year. Interim/ST staff permits are issued on an exception basis.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The school updated its calculation to more accurately reflect expenditures related to the above actions/services.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There were no changes made to this goal, expected outcomes, metrics, or actions and services.

Goal 2

Proficiency for All:

F.   Increase number of students scoring Met or Exceeded Standard on SBAC ELA assessments.

G.   Increase number of students scoring Met or Exceeded Standard on SBAC Math assessments.

H.   School will meet the annual API Growth Target or equivalent.

I.   Increase number of EL students who reclassify as Fully English Proficient.

J.   Increase number of EL students scoring "Early Advanced" and "Advanced" on the California English Language Development Test ("CELDT") annual assessment.

State and/or Local Priorities addressed by this goal:

State Priorities: 2, 4, 5, 7, 8

Local Priorities:

Annual Measureable Outcomes

Expected	Actual

F. Increase the percent of students scoring Met or Exceed Standard on the SBAC ELA assessment.

All Students	Greater than 46.0%
Low Income	Greater than 42.0%
Latino	Greater than 38.6%
African American	Greater than 50.9%
Special Education	Greater than 15.8%

Percent of students who scored Met or Exceed Standard on the SBAC ELA assessment:

All Students	35.3%
Low Income	34.6%
Latino	33.3%
African American	31.9%
English Learners	3.7%
Special Education	12.3%

G. Increase the percent of students scoring Met or Exceed Standard on the SBAC Math assessment.

Percent of students who scored Met or Exceed Standard on the SBAC Math assessment:

Expected			Actual	
All Students	Greater than 20.4%		All Students	17.3%
Low Income	Greater than 20%		Low Income	17.7%
Latino	Greater than 17.2%		Latino	18.1%
African American	Greater than 20.6%		African American	8.6%
Special Education	Greater than 5.3%		English Learners	0.0%
			Special Education	5.5%

Expected	Actual
H. The school will meet or exceed API growth target.	N/A – APIs have not been calculated since the 2012-13 school year.
I. 32% +/-5% of English Learners will reclassify as Fully English Proficient on the CELDT.	19% of English Learners reclassified as Fully English Proficient on the CELDT.
J. More than 84% of EL students will score "Early Advanced" and "Advanced" on the California English Language Development Test ("CELDT") annual assessment.	86% of English Learners showed improvement on the CELDT annual assessment.

Actions / Services

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Curriculum, Resources and Materials to Support Student Subgroups: • ELA intervention courses (Literacy Intervention) are offered at the 6th – 8th grade levels to ensure students below grade level have targeted supports to meet their needs • Green Dot has adopted the Carnegie Math program, grades 6-	Curriculum, Resources and Materials to Support Student Subgroup • ELA intervention courses (Literacy Intervention) are offered at the 6th – 8th grade levels to ensure students below grade level have Tiered supports to meet their needs • Teachers receive 2 professional development sessions per week	$96,514	$480,339

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
11, to support students and teachers in the transition to common core standards	and coaching from content-specific curriculum specialists as needed • Professional development has been provided to all teachers on the Common Core literacy standards • Professional development has been provided to core content teachers to transition to Common Core content standards • Green Dot utilizes the train-the-trainer model providing instructional leadership team members in each content area ongoing support in curriculum development and instructional strategies • Green Dot interim assessments are aligned to both Common Core content standards and Literacy standards to expose students to structure and format of the CA MAPP • Green Dot adopted the Carnegie Math program, grades 6-11, and the iReady math program to support students and teachers in the transition to common core standards • Professional development emphasizes the need to provide tiered interventions to support student success		

Action 2

Supports for EL students:	Supports for EL students:	$5,374	$9,830
- Appropriate ELD courses are offered based on student needs (sheltered or ELD) - An EL resources page is online to support teachers - EL Leads on each campus comprise the Green Dot E Steering Committee which reviews the EL Master Plan and supports individual school sites with the review of data and their site-level program - A Literacy dashboard is used to monitor CELDT scores, students' performance in ELA classes and Lexile growth	- A Literacy dashboard was created to monitor CELDT scores, student performance in ELA classes and Lexile growth - Appropriate Designated and Integrated ELD courses are offered based on student needs - Professional development is provided to teachers around identifying EL students within their classes and utilizing the CA ELD Standards in Integrated ELD to best support those students - An online EL resources page was created to support teachers - Each school site has an Administrator Over ELs, who coordinates CELDT and ELPAC testing, co-facilitates ELD professional development, supports with EL and RFEP progress monitoring, co-facilitates DELAC and other parent engagement meetings and meets with teachers and teacher leaders to determine EL SBAC and CAST accommodations as well as review EL student data when ELs are eligible for reclassification to ensure accurate reclassification. - EL Leads on each campus support their school site with ELD professional development, EL and RFEP progress monitoring and DELAC/parent engagement.		

Action 3

Supports for Students with Disabilities: • Students that have Individualized Education Plan will receive educational services in the Least Restrictive environment per the designation of this plan	Supports for Students with Disabilities: • Students with Individualized Education Plans receive educational services in the Least Restrictive environment per the designation of this plan	$612,884	$496,355

Action 4

Supports for High Achieving Students: • Student whose data reflects achievement above grade level will be supported through differentiated instruction in the classroom and the opportunity for electives and Honors courses	Supports for High Achieving Students: • Student whose data reflects achievement above grade level were supported through differentiated instruction in the classroom and the opportunity for electives and Honors courses	$65,446	$60,352

Action 5

Professional Development: • Teachers receive 2 professional development sessions per week and coaching from content-specific curriculum specialists as needed • Professional development will be provided to all teachers on the Common Core literacy standards • Professional development will be provided to core content teachers to transition to Common Core content standards	Professional Development: • Teachers receive 2 professional development sessions per week and coaching from content-specific curriculum specialists as needed • Professional development has been provided to all teachers on the Common Core literacy standards • Professional development has been provided to core content	$427,821	$117,159

• Green Dot utilizes the train-the-trainer model providing instructional leadership team members in each content area ongoing support in curriculum development and instructional strategies • Professional development will be provided to teachers around identifying EL students within their classes and SDAIE strategies to best support those students • Professional development will be provided to all teachers around identifying their Special Education students and accommodations and modifications to ensure that students receive appropriate supports	teachers to transition to Common Core content standards • Green Dot utilizes the train-the-trainer model providing instructional leadership team members in each content area ongoing support in curriculum development and instructional strategies • Green Dot interim assessments are aligned to both Common Core content standards and Literacy standards to expose students to structure and format of the CA MAPP • Professional development emphasizes the need to provide tiered interventions to support student success		

Action 6

Interim Assessments: • Green Dot interim assessments will be administered at least quarterly for ELA, Math, History and Science classes • Mock performance tasks are given in both ELA and Math to prepare students for the CA MAPP • Green Dot interim assessments are aligned to both Common Core content standards and Literacy standards to expose students to the structure and format of the CA MAPP	Interim Assessments • Interim assessments have been developed to align to Core Curriculum and provide teachers with the ability to analyze student performance data throughout the year • Green Dot interim assessments are aligned to both Common Core content standards and Literacy standards to expose students to structure and format of the CA MAPP • Curriculum Directors and Curriculum Specialists developed	See Expenditure in Academic Interim Assessment	$606,344

	the ELA and Math "Course at a Glance" materials and curriculum maps that are aligned to CA Common Core State Standards and are available to all teachers via Green Dot's online platform. Additional curricular resources available online include model unit plans, lesson plans and summative assessments • Surveys are available for teachers to provide immediate feedback on interim assessments throughout the year • Interim assessment data will be analyzed by teachers and administrators during department meetings to identify trends and assess next steps to support instruction • Student assessment results are analyzed to determine which interventions to implement using the Multi-Tiered System of Supports framework		

Analysis

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall, the actions/services were implemented as described in the previous year's LCAP.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Overall, the school was effective in implementing the services to meet its LCAP goals. School will analyze student achievement data to prioritize next steps for professional development for teachers and instructional shifts. A focus on literacy across the curriculum and benchmarking progress with interim lexile assessments will inform classroom practice. A new curriculum will be adopted for the 2018-19 school year to support a shift to

conceptual math in core classes. A focus on closing skills gaps and benchmarking progress with interim assessments to analyze quantile growth will inform classroom practice in intervention courses. School will focus on professional development for all teachers to support an integrated classroom experience for all English Learners. In addition, schools will continue to provide targeted supports in designated classes.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The school updated its calculation to more accurately reflect expenditures related to the above actions/services.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Moving forward, the school will modify the expected annual measureable outcomes related to SBAC performance from "Increase the percent of students scoring Met or Exceed Standard on the SBAC ELA and Math assessments," to "Increase the percent of students scoring Met or Exceed Standard on the SBAC ELA and Math assessment or outperform the statewide average." Additionally, the school will modify the goals related to English Learner performance to reference the English Language Proficiency Assessments for California ("ELPAC") instead of the California English Language Development Test ("CELDT") moving forward.

Goal 3

Prepared for college, leadership and life

K.   Maintain low cohort dropout rates

State and/or Local Priorities addressed by this goal:

State Priorities: 2, 4, 5, 7, 8

Local Priorities:

Annual Measureable Outcomes

Expected	Actual
K. Maintain low cohort dropout rates lower than the previous year or below 8%	N/A – middle schools do not have tracked cohort dropout rates at the state level

School Culture Team: • School has a Safe & Civil team (designated group of teachers) charged with analyzing data, developing professional development and supporting	School Culture Team: • School has a School Culture Team (designated group of teachers) charged with analyzing data, developing professional development and supporting	$12,089	$50,599

school-wide policies to create a safe and civil environment for staff and students • The Safe & Civil team meets bi-monthly and attends four trainings per year provided by the Safe & Civil Schools program • A Safe & Civil dashboard has been created to provide schools with timely data that is used to inform professional development on campus • Green Dot Education Team is actively supporting schools in establishing alternatives to suspension, response to intervention practices and mental health services to reduce the suspension rate on all campuses	school-wide policies to create a safe and civil environment for staff and students • The School Culture Team meets bi-monthly and attends four trainings per year provided by the Safe & Civil Schools program • A Safe & Civil dashboard has been created to provide schools with timely data that is used to inform professional development on campus • Green Dot has a comprehensive 3-tiered discipline matrix that prohibits suspension for willful defiance • Green Dot Education Team is actively supporting schools in establishing alternatives to suspension, response to intervention practices and mental health services to reduce the suspension rate on all campuses • Green Dot has established a Discipline Review Board at the campus level and a Discipline Review Panel district-wide to ensure all students receive due process pending expulsion • Green Dot provides universal, as well as Tier 2 and 3, interventions to support student behavior • Green Dot provides professional development to schools to implement positive behavior intervention and supports as a Tier 1 support		

Action 3

Response to Intervention/Multi-Tier Systems of Support: • Green Dot has a comprehensive Response to Intervention model to support student with both academic and behavioral interventions	Response to Intervention and Multi-Tier System of Support: • Green Dot Education Team is actively supporting schools in establishing alternatives to suspension, response to intervention practices and mental health services to reduce the suspension rate on all campuses • Students receive tiered interventions with the goal of supporting student success • School leaders and teachers receive professional development to develop and implement Multi-Tier System of Support at the school	$36,813	$41,913

Action 4

Discipline Policy and Matrix: • Green Dot has a comprehensive 3-tiered discipline matrix that prohibits suspension for willful defiance • Green Dot has established a Discipline Review Board at the campus level and a Discipline Review Panel district-wide to ensure all students receive due process pending expulsion	Discipline Policy and Matrix: • Green Dot has a comprehensive 3-tiered discipline matrix that prohibits suspension for willful defiance • Green Dot Education Team is actively supporting schools in establishing alternatives to suspension, response to intervention practices and mental health services to reduce the suspension rate on all campuses • Green Dot has established a Discipline Review Board at the campus level and a Discipline	$51,144	$103,935

	Review Panel district-wide to ensure all students receive due process pending expulsion • The school implements a positive behavior intervention and support as a universal support for students to reach behavior goals		

Analysis

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall, the actions/services were implemented as described in the previous year's LCAP.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Overall, the school was effective in implementing the services to meet its LCAP goals.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The school updated its calculation to more accurately reflect expenditures related to the above actions/services.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There were no changes made to this goal, expected outcomes, metrics, or actions and services.

Goal 5

Parent, Student and Community Engagement:

P.   At least two parents will serve on the School Advisory Council ("SAC")

Q.   At least two parent activities or events will be held per semester

R.   Students, families and the school community will feel a sense of connectedness

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 6

Local Priorities:

Annual Measureable Outcomes

Expected	Actual
P. At least 2 parents will serve on the SAC.	At least two parents served on the School Advisory Council ("SAC").
Q. At least 2 parent activities or events will be held per semester.	The school held at least two parent activities or events per semester.
R. School will receive at least an 80% score on the survey question: "Would you recommend this school to a friend?"	94% of respondents agreed that they would recommend the school to a friend on the Green Dot Family Survey.

Actions / Services

Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Parent Engagement and Participation: • Green Dot School Advisory Council bylaws ensure two parents are elected to the serve on the School Advisory Council (SAC)	Parent Engagement and Participation: • Green Dot School Advisory Council bylaws ensure two parents are elected to the serve	$11,680	$42,123

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
• Parent participation on the SAC allows for parents to have input into school policies and budget, and regularly review school data • School has a Parent Coordinator whose responsibilities includes planning activities and managing communications with parents/guardians • Parent Coordinator coordinates monthly parent workshops on relevant topics to engage parents in their students' education • School offers parent workshops to engage parents in the educational process	on the School Advisory Council (SAC) • Parent participation on the SAC allows for parents to have input into school policies and budget, and regularly review school data • School hosted at least 2 parent events per semester (e.g., open house, parent conference, coffee with principal) • School offered Parent Academy/trainings for interested families		

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
Communications: • School communicates with parents regularly via monthly letters, calendars and the use of an automated calling system • School hosts annual events including orientation, back-to-school night and other activities to engage parents in the school community • School administers an annual family survey to garner feedback from parents on all aspects of the school including teacher performance, school safety and stakeholder satisfaction	Communications: • School has a Parent Coordinator whose responsibilities includes planning activities and managing communications with parents/guardians • Parent Coordinator coordinates monthly parent workshops on relevant topics to engage parents in their students' education	$10,642	$15,600

• School analyzes family surveys each year to improve school connectedness and inform the work of the Parent Coordinator • Monthly parent workshops are provided on each campus and often include an update on student attendance rates for the year			

Action 3

Community Partnerships: • School looks to engage the community through partnerships that can provide services to families both on and off campus	Community Partnerships: • School engages community via partnerships with community organizations, open house nights, and distribution of information regarding community services	$247,317	$130,462

Analysis

Describe the overall implementation of the actions/services to achieve the articulated goal.

> Overall, the actions/services were implemented as described in the previous year's LCAP.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

> Overall, the school was effective in implementing the services to meet its LCAP goals.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The school updated its calculation to more accurately reflect expenditures related to the above actions/services.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There were no changes made to this goal, expected outcomes, metrics, or actions and services.

Stakeholder Engagement

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

During the 2017-18 school year, the School used several outreach strategies to engage with stakeholders on the LCAP. The School's efforts began in the fall of 2017 when the School Principal and Operations and Finance Manager reviewed the 2017-18 LCAP with the School Advisory Council ("SAC"). Since the first SAC meeting, the Principal referred to the LCAP and its goals during subsequent SAC meetings to ensure the LCAP was kept top of mind. The SAC is comprised of administrators, teachers, counselors, classified staff members, parents and students. The SAC also includes representation from the Asociación de Maestros Unidos, the union that represents Green Dot's certificated staff.

The Green Dot Public Schools CA Home Office ("Green Dot Home Office"), including members of the Education, Knowledge Management, Policy & Public Affairs, Finance & Accounting and Operations teams, provided the School with updated data for each goal to help monitor and track progress for the 2018-19 Annual Update in May of 2018. The Principal reviewed the updated data with the SAC and reflected on changes from the previous year.

In conjunction with the different stakeholder groups, the Green Dot Home Office worked with School Leadership to update the 2018-19 Three-Year LCAP, taking into account the progress identified on the Annual Updates, revisions to actions/services, and updates to future expenditures. The 2018-19 LCAP was presented to the School Advisory Council during the May 2018 SAC meeting. The SAC reviewed the LCAP, including areas in the Annual Update were targets were missed, and provided feedback on additional actions/activities to address these areas in the future. Afterwards, the SAC approved the 2018-19 LCAP.

The Green Dot Home Office reviewed the 2018-19 Annual Updates across all Green Dot schools to identify trends, achievements and areas for improvement. This information was also shared with the Green Dot's Board of Directors Education Committee on April 10, 2018, which includes the President of the Asociación de Maestros Unidos.

The School LCAP was presented to the Green Dot Governing Board on June 29, 2018 for final approval. The LCAP was submitted to the Authorizing School District and the Los Angeles County Office of Education on June 29, 2018.

The Green Dot Home Office, School Leadership and SAC will regularly monitor and evaluate progress made towards the School's LCAP goals.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

There are several ways that parents, teachers, and students influenced the LCAP. The LCAP was included in at least 4 of the monthly SAC meetings so stakeholders have time to understand, reflect, prioritize, and determine school-wide strategic planning foci for the upcoming year. They also monitor progress on current year strategic plans. In addition, the LCAP is included in our agendas for both Coffee With the Principal and in our Parent Workshops, so that parents are able to understand and provide our admin team with input, feedback, and suggestions for improvement that meets the needs of their children.

Teachers also give input by department and through grade level teams on instructional priorities. Our School Culture team provides oversight for the "Focus on School Culture" goals. The Instructional Leadership Team reviews the "Proficiency for All" and the "Preparation for College, Leadership, & Life" goals.

As a result of the stakeholder engagement, the school also made the following changes:

• Updated anticipated measurable outcomes to better align with available data

• Supplemented Section 2 with new activities, services and expenditures to support the School in meeting all LCAP goals and targets

• Each year Ánimo Westside seeks to include the voices of all stakeholders in LCAP decision making. Multi-level discussions are engaged that include but are not limited to those held with members of the School Advisory Council, Instructional Leadership Team, school staff and other scheduled events that allow for contributive voices. One point of feedback raised from our stakeholders was the concern around Physical Education for students. This has impacted planning to include earmarking funds used for participation in league sports for all students. Another area if discussion and feedback was centered around more experiential learning which has resulted in increased funds allocated to our Science department to include more laboratory experiences and participation in two overnight Science camps, in 6th and 7th grades respectively.

Goals, Actions, & Services

Strategic Planning Details and Accountability

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

Provide Basic Services:

A.   Maintain the appropriate assignment of teachers, fully credentialed in the subject areas and for the pupils they are teaching

B.   Students will have access to standards-aligned materials and additional instructional materials as outlined in the school's charter petition

C.   Students will have access to the educational program as outlined in the school's charter petition

D.   Students will be offered elective courses if they do not require additional ELA or Math interventions

E.   School facilities are maintained in good repair

State and/or Local Priorities addressed by this goal:

State Priorities: 1, 2, 7, 8

Local Priorities:

Identified Need:

To provide and maintain Basic Services for students and schools.

To ensure students have access to a broad course of study and pupil outcomes are measured in applicable subject areas.

Expected Annual Measureable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
A. 100% of teachers will be fully credentialed in the subject areas and for the pupils they teach.	94% compliant	100% compliant	100% compliant	100% compliant
B. 100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks.	100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks	100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks	100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks	100% of ELA and Math teachers will use standards-aligned materials as evidenced by "Course at a Glance" materials, curriculum maps and appropriate textbooks
C. 100% of middle school courses will be reviewed and approved in the Green Dot Course	- 100% of middle school courses were reviewed and approved in the Green Dot Course Catalog - Master schedules reflect that students are enrolled in and have access to a broad range of courses	- 100% of middle school courses will be reviewed and approved in the Green Dot Course Catalog - Master schedules will reflect that students are enrolled in and have access to a broad range of	- 100% of middle school courses will be reviewed and approved in the Green Dot Course Catalog - Master schedules will reflect that students are enrolled in and have access to a broad range of	- 100% of middle school courses will be reviewed and approved in the Green Dot Course Catalog - Master schedules will reflect that students are enrolled in and have access to a broad range of courses

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Catalog. Master schedules will reflect that students are enrolled in and have access to a broad range of courses that are appropriate for student needs.	that are appropriate for student needs	courses that are appropriate for student needs	courses that are appropriate for student needs	that are appropriate for student needs
D. The school will offer at least one elective course.	The school offers at least one elective course	School will offer at least one elective course	School will offer at least one elective course	School will offer at least one elective course
E. The school will receive an average score of 90% or higher on the facilities survey, indicating that the school is in good or exemplar repair.	99% on facilities survey	Greater than 90%	Greater than 90%	Greater 90%

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Modified Goal

Goal 2

Proficiency for All:

F.   Increase percent of students scoring Met or Exceeded Standard on SBAC ELA assessments.

G.   Increase percent of students scoring Met or Exceeded Standard on SBAC Math assessments.

H.   School will meet the annual API Growth Target or equivalent.

I.   Increase percent of EL students who reclassify as Fully English Proficient.

J.   Increase percent of EL students scoring "Level 3" and "Level 4" on the English Language Proficiency Assessments for California ("ELPAC") annual assessment.

State and/or Local Priorities addressed by this goal:

State Priorities: 2, 4, 5, 7, 8

Local Priorities:

Identified Need:

To increase the percent of students who score Met Standard and above on the SBAC assessment.

To increase the percent of English Learners who achieve full English language proficiency.

To increase the percent of English Learners who make progress towards English proficiency.

Expected Annual Measureable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
F. Increase the percent of students scoring Met Standard and above on SBAC ELA assessment annually or outperform the state average. Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 5

Parent, Student and Community Engagement:

P.   At least two parents will serve on the School Advisory Council ("SAC).

Q.   At least two parent activities or events will be held per semester.

R.   Students, families and the school community will feel a sense of connectedness.

State and/or Local Priorities addressed by this goal:

State Priorities: 3, 6

Local Priorities:

Identified Need:

To provide opportunities for parental input in school site decisions.

To provide opportunities for parental participation in school events and programs.

To increase the sense of safety and school connectedness.

Expected Annual Measureable Outcomes

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
$790,089	25.29%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The funds will be spent on improving the charter-wide educational program and meeting the academic goals specified earlier in the LCAP. Note that the school has an unduplicated count percentage of 75.41% and therefore, it is deemed appropriate and effective to provide services to these students on a charter-wide basis. In addition, the needs of the unduplicated count population are met based on the charter-wide educational model and no additional services need to be provided.

In order to meet the needs of its diverse student population that school will look to implement Green Dot's academic model with fidelity.

The model outlines the framework that allows Green Dot teachers and administrators to be successful and focuses on four key elements: 1) Ensuring Quality Teaching and Instruction, 2) Cultivating a College-going Culture, 3) Eliminating Barriers to Learning, and 4) Promoting Leadership and Life Skills. Implementation strategies are provided in the areas of curriculum, student intervention, professional development, parent participation and school operations to help principals and teachers make the most informed decisions for their schools.

1. **Ensuring Quality Teaching & Instruction**: Dedicated, effective teachers with a passion for their work and their students are at the heart of the Green Dot model. Green Dot ensures high quality teaching and instruction in every classroom through its research-based methods of instruction, teacher effectiveness initiatives and robust professional development and supports. At the heart of The College-Ready Promise (T4CRP) TCRP Teacher Development and Evaluation System is the College-Ready Teaching Framework ("CRTF") – a rubric that defines the core competencies expected of all Green Dot teachers. In addition, teachers will be able to pursue professional development and coaching support from the Instructional Coaches as well as from the Green Dot Home Office Education Team.

2. **Cultivating a College-going Culture**: Green Dot strives to attain high college acceptance rates by creating a culture of college-for-certain. School leaders create systems for ongoing academic counseling with counselors and advisor and offering college tours at every grade level. In addition, the school master schedule offers elective courses that support core content development (i.e., drama), as well as pre-AP pathways (i.e., honors courses in middle school and high school). Courses are structured to build students' key cognitive strategies: intellectual openness, analysis, reasoning, accuracy and precision, and interpretation. School classrooms demonstrate the successful implementation of behavior management strategies. Support is provided to build key behaviors necessary for success in high school and college, such as self-monitoring, persistence, independent preparation abilities, and college-level study skills. Lastly, all Green Dot schools provide support to build students' contextual awareness of college systems and culture.

3. **Eliminating Barriers to Learning**: Students come to Green Dot from a variety of backgrounds. Academically, many are far behind grade-level. Socially and emotionally, many require emotional guidance in order to be able to succeed academically. Green Dot strives to provide the academic intervention, counseling and clinical services necessary to breakdown these barriers. Green Dot school leaders successfully implement all three tiers of the Response to Intervention Model by appropriately providing intervention in literacy, math, English Language Development and Special Education. Green Dot schools offer an Advisory program that provides academic guidance, school culture & safety; college and career; and personal development. Additionally, each school provides a menu of wrap-around services: mental health supports and psychological services; counseling groups; mentoring programs; and links to community partners for health and wellness programs.

4. **Promoting Leadership & Life Skills:** Green Dot aims to provide students with a broad set of tools, behaviors and skills to prepare them for college and beyond. Systems for student leadership such as student government, our student ambassador program, student mentorship, and the Principal's Advisory Committee give students internal leadership experience. External experience is available through partnerships with community programs, including public speaking opportunities, job shadowing, volunteer work, mentorships, and summer internships. Advisory programs teach and promote life skills and help to reduce dropouts, foster youth development, enhance academic achievement, and promote whole-being development.

The schools' educational program will successfully meet the needs of its diverse student population. Examples of theses supports include:

- Implementation of all three tiers of the Multi-Tier System of Supports in Literacy, Math, English Language Development and Special Education

- Intensive interventions for students requiring additional enrichment and support, including Literacy Enrichment, Math Foundations, individualized tutoring, classroom push-in and co-teaching models and small strategic groupings

- An Advisory program for all students to prepare them with the tools and behaviors to succeed in high school, college, leadership and life – covering topics such as: academic preparation, promotion of college awareness, developing strong peer relationships, developing life skills in areas such as resiliency/grit, growth mindset, organization, communication, health/nutrition and personal finance

- Integrated wraparound services to help address social and non-academic barriers to student learning including small group counseling and individual student counseling

- Proactive and positive student behavior management, including various alternatives to suspension

- Opportunities for students to explore student leadership and other interests through participation in elective courses, student government, after-school programs and clubs

- Special education programs that cultivate collaboration between general and special education teachers to guarantee that students with disabilities are integrated into the school to the maximum extent possible to allow them full access to all programs.

The school has developed a research-based curriculum appropriate to the student demographics it serves that includes the following: course offerings, textbooks, curriculum maps, pacing guides, sample lesson plans, interim assessments and intervention programs. The model is derived from the following continuum of research-based practices:

• **Planning and Preparation**: Based on Essential Elements of Effective Instruction by Madeline Hunter. Madeline Hunter developed the teacher "decision-making model" for planning instruction known as Instructional Theory in Practice ("ITIP"). This approach to teaching uses Direct Instruction ("DI") as the framework for planning. DI refers to a rigorously developed, highly scripted method that is fast-paced and provides constant interaction with students.

• **Assessment and Learning**: Based on Understanding by Design: Backwards Design by Jay McTighe and Grant Wiggins. The emphasis of Understanding by Design ("UbD") is on "backward design," the practice of identifying the desired outcomes in order to design curriculum units, performance assessments and classroom instruction that will enable students to achieve these outcomes. The backward design approach is developed in three stages. Stage 1 starts with educators identifying the desired results of their students by establishing the overall goal of the lessons by using content standards, common core or state standards. Stage 2 focuses on evidence of learning by assessment. Teachers plan performance tasks and evidence of understanding. Performance tasks determine what the students will demonstrate in the unit and what evidence will prove their understanding. This can include self-reflections and self-assessments on learning. Lastly, Stage 3 lists the learning activities that will lead students to the desired results.

• **Instructional Techniques**: Based on Teach Like a Champion by Doug Lemov. Teach Like a Champion offers effective teaching techniques to help teachers become champions in the classroom. Additional details provided in the section entitled "Instructional Design, Methods and Strategies."

• **Classroom Environment**: Based on "Safe and Civil Schools" by Randy Sprick. Safe & Civil provides high-quality programs and staff development services to help educators create proactive and positive behavior management strategies in schools. These sessions include school walk-throughs with Safe & Civil program administrators to observe discipline and school culture. Findings from these sessions are compiled to create school-specific professional development for teachers and the necessary supports to create an environment where students can learn and where teachers can teach.

• **Culturally Responsive Pedagogy**: Green Dot Public Schools believes that culturally responsive pedagogy can increase student engagement, provide access to content, and as a result, bolster feelings of confidence and understanding in students.

Academic Support and Intervention is based on incoming student need and a schedule of intervention and acceleration courses will be available to students so that all students can complete the required courses:

• **Summer Bridge**: Summer Bridge is a recommended multi-week summer program that acclimates students to the culture of the school, high expectations and the development of a trusting community. During the Summer Bridge program, students will also be identified for special needs, English Learner levels, non-proficiency in standards and social-emotional supports, and staff will make the necessary adjustments to the master schedule to better accommodate them. Students receive standards-based instruction in Math and English Language Arts and are acclimated to

the culture and expectations of the school. Students will engage in culture-building exercises that promote a positive community of trust and respect. Social and personal issues will also be surfaced in small group settings complemented with educational field trips.

- **Literacy Intervention/Enrichment (Read 180)**: Literacy Intervention/Enrichment is a standards-aligned program for reading is provided to students that test low in reading. Typically, this course is given to students through an elective class.

- **Math Foundations**: Students who are struggling in Math (not proficient and/or recommended by their Math teachers) will receive an additional period of Math support, where their teacher and tutors will work on skill building through their current curriculum, as well as remediation strategies to strengthen skills in group tutorial and one-on-one formats.

- **Designated and Integrated English Language Development ("ELD")**: Designated ELD classes are provided for all English Learner students and Integrated ELD is provided in all other content classes throughout the school day for English Learners. Designated ELD focuses on listening, speaking, reading and writing skills in English with the CA ELD Standards and Features of Designated ELD driving instruction. Integrated ELD focuses on academic content and English language skills in tandem so that English learners practice English language skills with academic content in all classes.

- **Special Needs/Academic Success**: Designated SPED students will be provided extra support to reflect the needs outlined in the Individualized Education Plan ("IEP") and in all of their academic courses through one-on-one instruction, group support and guided instruction.

- **Homework Club**: Students who are struggling with a particular class or want more support in subject can attend Homework Club, which is offered an hour every day after school and run by a credentialed teacher and/or college interns.

- **Office Hours**: Teachers hold office hours twice a week after school to provide additional support.

- **Afterschool Program**: Students who are not achieving a satisfactory grade within a particular class or simply want more support in a subject can attend tutoring, which is offered for an hour every day after school.

Social and Life Skills Development is a key component of the school meeting the diverse needs of its student population including the establishment of an advisory course and clinical services available to all students.

Students will participate in an Advisory class with the same group of students for their school career to maintain a tighter sense of community. Advisory serves as a structured time and space for students to reflect on their learning and to discuss the connection between learning and life-long success. Advisory activities are organized around four pillars: 1) school culture and safety, 2) academics, 3) social life skills and 4) civic engagement. During Advisory, students will:

- Discuss issues related to the pressures of being a young adult in middle school including but not limited to puberty, relationships, mental health, family, substance abuse, etc.

- Acquire different study skill strategies, test-taking strategies and communication tools that will enable them to succeed in their academic career

- Learn about the college process as they are encouraged to think beyond middle and high school in an effort to realize that the tools they gain today will be beneficial in the near future

- Gain self-efficacy skills that will allow them to address the barriers of learning with resiliency

We have built an Advisory course into the master schedule to serve as a level 1 intervention using the Response to Intervention Model (RtI). Using the RtI model, all students receive the core literacy and math courses as their Tier 1 instruction. In addition to the core courses, students who need more intensive intervention (Tier 2) and support with a lower student-to-teacher ratio are provided with math and literacy interventions classes. If the student continues to struggle, the RtI team will determine if there are specific individual interventions (Tier 3) necessary to address the student's needs or if a referral to the Student Success Team is required.

Our Clinical Services team provides individual, group and family therapy to the students and families, and serves as a level 2 and 3 intervention within the RtI model. The main purpose of our clinical services program is to address the barriers to learning from the mental health perspective. In addition, we provide crisis intervention, parent consultation, teacher consultation, and case management which include providing resources and referrals to outside agencies.

In order to ensure services are provided free of charge, services are provided by pre- and post-graduate Marriage and Family Therapy, Psychology and Social Work interns who receive extensive training and supervision in exchange for their work. All services are supervised by one of our licensed Marriage and Family Therapists or Licensed Clinical Social Workers. Interns provide social and emotional counseling including small group and individual therapy.

The Clinical Services team uses a referral process for students to receive services. Once students and parents have consented to services, students have a case manager that follows them through the process of services. Students are provided Child Development Inventory assessments along with other researched-based therapies. The Clinical Services team works with parents, staff, and students throughout the referral process to ensure they are aware of their options. Clinical Services provides a proactive approach to addressing the barriers of learning by utilizing prevention and wellness to enable our students to possess the necessary skills to navigate their academic and social skills.

The LEA will improve its entire educational program by investing in additional technology to increase its ratio of students to computers, additional special education services to support high needs students, and instructional material to increase support for classroom learning experience.

- The school will offer a spectrum of special education services that may include a resource program, special day program, and programs for students classified as autistic, intellectually disabled, or emotionally disturbed. The programs are designed to foster a high-quality program for students with special education needs. Additionally, our special education programs cultivate collaboration between general and special education teachers to guarantee that students with disabilities are integrated into the school to the maximum extent possible to allow them full access to all programs.

- The school will offer ELD courses to prepare English Learners recently arrived in the U.S. for success in English-medium instruction, including English Language Arts. Skills in all four strands of language—listening, speaking, reading and writing--are systematically developed. Students of mixed grade levels are grouped according to proficiency in English. Cultural knowledge needed for success in U.S. schools is integrated throughout. The Green Dot EL Master Plan includes the new CA ELD standards and a five step process for the identification of English Learners including: 1) Initial Identification, 2) EL Proficiency Assessment, 3) Primary Language Assessment, 4) Parent Notification, and 5) Program Placement. Green Dot schools provide on-going training for administrators and teachers on the identification process.

- All EL students are served in both Designated and Integrated ELD designed to meet their needs. Instruction is based on the CA ELD Standards and the Features of Designated and Integrated ELD. These programs are built into the school's master schedule and take place within the school

day. The school will work with the Human Resources (HR) Department to ensure appropriate staffing and authorizations for teachers in these courses.

- Technology is widely used at the school to drive higher levels of achievement and prepare students for the information driven economy of the 21st century. It is also used as a critical tool for gathering data for school management. Technology investments will be made in the following areas:

  • Increased computing devices (e.g., desktops, laptops, Chromebooks) that are available for student use;

  • Each teacher is provided with a laptop and given training on effectively using technology in the classroom;

  • Courses often include web-based research projects and assignments;

  • Technology elective classes are included in the recommended curriculum to train students on computers and different software programs; and

  • A web-based student information and school management system is implemented at the school and used by parents, students and school staff
