Form 990, Part I, Line 1, Description of Organization Mission:

GDPS CA was organized in 1999. During the fiscal year ended June 30,

2019, GDPS CA operated 21 charter schools. The charter schools receive

per-pupil funding to help support operations. GDPS CA plans to open

other charter schools in the future. With Green Dot's success to date,

it is demonstrating that public schools can do a far better job of

educating students if they are operated more efficiently and if the

focus is kept on students. GDPS CA envisions a public school system in

Los Angeles made up of small, high-performing schools that each

encompass a belief in the potential of all students, foster teacher

creativity, encourage parental involvement, and ultimately, prepares

students for college, leadership and life.

between prior year reporting and current year reporting is due to the

current year elimination of certain intracompany transactions between

GDPS CA Regional Office and the 21 charter schools it operates.

Form 990, Part III, Line 1, Description of Organization Mission:

GDPS CA is fulfilling this mission by running high-achieving public charter schools that are focused on graduating students and fully preparing them for college. In addition, GDPS CA is dedicated to helping parents throughout the city organize and demand more of their neighborhood schools, the overarching goal being to encourage Los
